Some Sad News From SODA Today ! A former SODA Board Member has left us. He was a Great man and will be sorely missed.

Below is the information that is posted on the NSA National website. Please share this info with others that may not be aware of Chuck's death.

Chuck Middleton went to his heavenly home on Monday, December 13, 2010 at the age of 95.

This is truly sad news for all of NSA. We have lost a loyal friend and true supporter. Chuck joined NSA in 1985 as Missouri State Director. Chuck was appointed to the NSA Board of Directors in 1986. Chuck was appointed as the NSA National Girls FastPitch Director in 1987. Chuck served as the Chairman of the Hall of Fame Committee from 1988 through 2000 and was inducted into the NSA Hall of Fame in 1996.

Chuck set the standard that any and all in the game of softball should follow. There will never be anyone with the loyalty and dedication to the game that this man so gracefully displayed. I will forever be in debt to him for the road he paved for softball and NSA.

Chuck will always be remembered for all he did for the NSA Hall of Fame and NSA Girls FastPitch Programs. I am so thankful for his leadership and visions.

One thing we all know now for sure, there will be softball in heaven! Chuck will be busy at his typewriter getting some new ideas and programs for God to implement!

A private family memorial will be held at Jefferson Barracks National Cemetery, St. Louis, Missouri later this week.

Anyone who wishes to help Robert Middleton, Chuck's son, with expenses, please send your donation to NSA, P. O. Box 7, Nicholasville, KY 40340. Robert has asked the NSA National Office to handle this for him. A check for all donations will be sent to Robert Middleton.

Rest in peace Mr. Chuck. - Hugh Cantrell President/CEO NSA
